dollars stored in pallets which belong to the *International Treasury Monetary One* on a large scale, in various countries of the World, such as Vietnam, China, Cambodia, the USA, Afghanistan, in the European territory and in the territory of the Union of Soviet Socialist Republics.

The criminal terrorist community of the Illuminati, jointly with the criminal lodge, led by Michael Rockefeller, called "Abayton" (which manages the process of the Global Crime against God and Humanity, to conduct the Genocide of the People in almost all Countries of the World, developing and using chemical, bacteriological, viral weapons of mass destruction, distributed in various ways in large-sized and medium-sized cities in almost all countries of the world).

These insane and perverted terrorists and war criminals are filled with hatred for Humanity and all living creatures, that is, for Life, and consequently, hatred for the Almighty. There is no justification in the World and the Universe for these heinous crimes and the criminals who conduct them.

The previously-described criminal community, jointly with the criminal accomplices (criminal officials and "werewolves in epaulets"), stealing the untouchable property of the *International Treasury Monetary One*, which was prepared for the Way out of the global crisis and the socio-economic development of all nations as a single People of the World in all Countries according to the Divine Laws of Creation, previously mentioned war criminals, international terrorists and corrupt officials are sent to conduct monstrous plans to destroy Humanity and Nature.

The previously mentioned, crazy and mindless dogmas (dogmas which do not exist), people's killers and murderers, continue to incite military conflicts, wars, extermination of People all over the earth, using the stolen, and therefore criminal, fiat dollar.

Continuing to finance the Genocide of the People, in almost all Countries of the World, the previously-mentioned filthy villains convert other means of payment using the stolen and illegitimate fiat dollar.

Understanding the current situation, in which corrupt and criminalized officials and “werewolves in epaulets” in many countries where the storages of the *International Treasury Monetary One* are located, continue the agony of plundering, committing embezzlement of public funds, of the Holy World Mission in many ways inciting many custodians (storekeepers) to commit crimes.

Due the end of the Game of the Gods and the Transformation of the World of RA and Mother Earth RUS into a Light and Celestial state, in order to fulfill God's Providence by Divine Providence, by the Right of the Sovereign, by the Right of Hereditary Ownership of all the Assets of the World, by the Right of the Chief Regulator of the World Financial System, supporting the international recommendations of the International Basel Committee on Banking Supervision, the Basel 3 standard, in implementation of the High Sacred Duty of the *International Treasury Monetary One* to the Whole World,
